Machine Learning | Python |Chatbot Developer|RASA|DialogFlow| Web scraping | Selenium
Contact No: 9556216133
Current Address: Hyderabad

M. Tech (Computer Science) Research oriented with Knowledge of Machine learning ,Data Science,and 2 years of industrial experience in building chatbots.

SUMMARY .

- ✔ Successfully completed my **M. Tech** Research work on **Stock Market Prediction** using **Machine Learning** techniques using **TLBO** (Teaching learning based optimization) and **JAYA** optimization algorithm along with **FLAAN** model.
- ✔ Hands-on experience in developing **Chatbots** using **Rasa** Framework , **DialogFlow** and **Artificial Intelligence** .
- ✔ Hands on experience in designing and developing projects using **open source frameworks**.
- ✔ Hands-on experience in **visualizing** and **analyzing** Real Estate data .
- ✔ Hands-on experience in **predicting** stocks .
- ✔ Good knowledge of **Web development** using **Django Framework** and **Python**.
- ✔ Basic knowledge of **Opencart.**
- ✔ Involve in daily status meetings and Client meetings for current updates and upcoming plans.
- ✔ Working as an excellent team member with Good Communication and Presentation skills.
- ✔ Worked with **Telebu Communications** from July 2019 to Sep 2020 as **SDE-1(Python Developer)**
- ✔ worked with **Cognier Insights** from Sep 2018 to July 2019 as **Senior Data Scientist**

TECHNICAL SKILLS

- ✔ Machine Learning
- ✔ Data science
- ✔ Django Framework
- ✔ Python
- ✔ Selenium

OTHER SKILLS

Version control	GitHub
Platforms	Win 7 , Win 10 , Linux
Editor	Sublime text-3,visual studio code,pycharm
Other tools	Postman

EDUCATION DETAILS

QUALIFICATION	SCHOOL/COLLEGE	BOARD/UNIVERSITY	YEAR OF PASSING	PERCENTAGE/CGPA
M.TECH (CSE)	IIIT BHUBANESWAR	IIIT BHUBANESWAR	2018	8.03
B.TECH (IT)	IIIT BHUBANESWAR	IIIT BHUBANESWAR	2016	7.37
XII	DAV ISPAT SENIOR SECONDARY SCHOOL , DALLI RAJHARA	CBSE	2012	6.7

X	SENIOR SECONDARY SCHOOL, DALLI RAJHARA	CBSE	2010	6.8

PROJECT DETAILS

Project Name	Wanasatime bot
Role	SDE -1(Python Developer in Telebu Communications)
Technologies:	RASA Framework , Python ,Machine Learning
Project Description:	Chatbot for movie and event ticket booking .
Responsibilities:	· Training data · Creating Interactive stories for chatbot · Implement it for quick booking movie or event tickets. · Fetching queries related to movie from API · Developing Chat Widget.

Project Name	JanaSevaka bot
Role	SDE -1(Python Developer in Telebu Communications)
Technologies:	RASA Framework , Python ,Machine Learning
Project Description:	FAQ bot for karnataka government
Responsibilities:	· Training data · Creating Interactive stories for chatbot · Implement it for quick booking movie or event tickets. · Fetching queries related to movie from API · Developing Chat Widget.

Project Name	Garuda
Role	Associate Data Scientist with Cognier Insights
Technologies:	Django framework , Python, Beautiful soup , Selenium
Project Description:	Real estate Website for selling and buying properties.
Responsibilities:	· Scrapping data from websites · Analyzing scrapped data for predicting future value of properties · Developing RestAPI using Django rest framework. · Data visualization using python · Web UI enhancement (Theme, Dynamic UI, Mobile view).

Project Name	Stock Market Prediction Using Artificial Neural Networks
During	M. Tech
Technologies:	MATLAB

Project Description:	This project is to predict the stock market based on the current data using **TLBO** and **JAYA** optimization algorithm
Responsibilities:	· Find historical Stock market data and Normalize it. · Do research for different data models and select the appropriate one. · Implement it for prediction of future Stock market · Plotting graphs for data visualization

Project Name	**E-Blood bank**
During	**B. Tech**
Technologies:	PHP ,Javascript, CSS
Project Description:	An automated System where we can check blood availability and donor details in more secured way .

PERSONAL DETAILS

Age   *: 26*
Language   *:* English, Hindi, Oriya,Bengali
Nationality   *:* Indian
Contact No   *:* **9556216133**
Current Location   *:* Hyderabad

Date:

Place: Hyderabad   **B Saptami Subhadarsini**
